\*\*\*Market Board may use their discretion in which spaces will be available for selection in order to meet the needs of the vendors and maintain market balance.

North Carolina Department of Revenue requires vendors to obtain a certificate of registration to sell products not from their farm or reselling of items.

Farmers selling their own farm products do not require registration, but they are required to provide a signed agreement stating they are omitted from the new regulation to keep on file with the Market Manager. If you are a vendor required to certify you must collect the appropriate tax and register with NCDOR. The Market Manager is still required to keep a daily registration list of vendors.

*Applications will be reviewed by the Salisbury Farmers Market Board of Directors. All applications are due April 1<sup>st</sup> to receive priority for the Market Grand Opening. If applications are received after the deadline they will be reviewed by the Board of Directors within 30 days. The vendor will be notified of acceptance or denial after the board has voted.*
